

## MEMBER PACC AGREEMENT FOR 24/7 ACCESS FOBS – PLEASE READ

- ❖ 24/7 Access Fobs are for individuals 16+ years of age that have a current PACC membership. If I am 16 or 17 I need a parent or guardian's signature to purchase a fob.
- ❖ I understand my fob is for **MYSELF ONLY** and **I will not share it or let others into the PACC** using my fob. *This includes others attached to my membership.*
- ❖ I understand my fob is active for 1 year from date of purchase, at which time I will need to pay the annual price again if I wish to continue using it. (Annual price plus state & local sales tax)\*
- ❖ I understand that if my membership becomes inactive, the fob will also become inactive.
- ❖ I understand that if I lose my fob, it is my responsibility to contact the PACC to report it lost/stolen, and I will be responsible for replacement cost of the annual price.
- ❖ I understand that accessible areas of the building include the locker rooms, fitness areas, gyms and walking track. The Aquatics Center and Adventureland will not be accessible.
- ❖ I understand that there may be dates/events when access during non-staffed hours will not be available (i.e. lock-ins, facility maintenance, special events, etc.) and that the PACC will attempt to post notices in the facility and communicate via social media in advance of such events.
- ❖ **I understand that, if I am found abusing/sharing my access card or not following this agreement, my 24/7 access privileges can be revoked and I will not receive a refund.**
- ❖ If I encounter difficulties entering with my access fob, I will contact the PACC staff during regular business hours. ***I will NOT ask others to let me in the facility, as that is a violation of THEIR 24/7 privileges.***
- ❖ ***I understand I might be in the facility when staff are not present, and need to use my own phone to call 9-1-1 in case of an emergency.***
